

NEW RELEASE: *ROH R01 Black*

New to the exclusive range of ROH Lightweight Performance Road Wheels®, the all new R01 Concave wheel comes in matt black finish with anodised gold or silver aluminium bolts and is available in 20" staggered sizes.

R01 is ROH's latest one-piece sports alloy wheel combining thin spoke technology with behind-the-spoke undercut machining to create a superior reduction in unsprung mass and optimised brake ventilation.

R01 features an as-cast flange with gold or silver anodised aluminium bolts closely resembling a three-piece wheel construction. Finished in matt black Baked Enamel

R01 will fit all popular Australian and imported performance cars and SUV's. Matt Black finish available with Gold or Silver bolts in 20x8.5 & 20X10 35P 5/114.3 & 5/120 fitment only - will suit all HSV brake calipers except GTS.

R01 is available in-stock now so contact our sales staff today for available fitments and pricing.
