WHEEL SPECIALISTS

NEW RELEASE: *ROH Vapour*

New to the exclusive range of ROH Dakar Proven Wheels®, the all new ROH Vapour 4x4 wheel comes in matt black undercut machined finish with anodised aluminium bolts (not chrome plastic), available in 16”, 17” and 18” sizes.

Vapour is a unique twin 6-spoke with styling features enhanced by bright undercut machining beneath the outer lip and 6 anodised aluminium bolts adorning the apex of the angled muscular wheel spokes.

Vapour features the ROH Easycleans® Matt Black Baked Enamel finish which provides superior salt spray performance and anti-weathering durability, making it an ideal wheel for both recreational and commercial end-users.

Vapour will fit a large range of the most popular 4x4 and SUV vehicles including top-selling Hilux, Ranger, Colorado, BT-50, Triton and Navara. Vapour is load-rated for LandCruiser 200 series in 17x9 at 1500kg per wheel and 18x9 at 1250kg per wheel and is an ideal choice when fitting a GVM+ suspension upgrade.

ROH Vapour is available in-stock now so contact our sales staff today for available fitments and pricing.
