

NEW Fitment: ROH 17" TRAK 2 for Toyota Prado

Our popular ROH 17x8 Trak series wheels are now available in 15P offset to suit 120 & 150 Series Prado

Blak Trak & Trak 2 are now available to suit 120 & 150 Series Prado in 17x8. This allows Prado owners to fit steel wheels as an option to alloy.

This new 17x8 fitment surpasses Australian Standard AS1638 for guaranteed off-road performance and up to **1,025kg** load rating.

Available in super tough black & white powder-coat finish, you can rely on ROH Trak steel wheels to deliver outstanding outback reliability.
