

**NEW RELEASE:** *ROH Onyx*

New to the exclusive range of ROH Dakar Proven Wheels®, the all new ROH Onyx 4x4 wheel comes in a Matt Black finish and is available in 17” and 18” sizes.

Onyx is a clean 10 spoke design with unique vents on the outer lip. These stylish yet functional debris ejection vents are created by undercut machining beneath the outer lip, giving the Onyx a sleek and elegant design.

Onyx features the ROH Easycleans® Matt Black Baked Enamel finish which provides superior salt spray performance and anti-weathering durability, making it an ideal wheel for both recreational and commercial end-users.

Onyx will fit a large range of the most popular 4x4 and SUV vehicles including top-selling **Hilux, Prado, Ranger, D-Max, BT-50, Triton & LC300**. Onyx is especially designed for 6/139.7 fitments and is an ideal choice when fitting a **GVM+** suspension upgrade.
